

# Construction Progress & Documentation Services

- [Structure](#)

# Structure

This is volume-based and relationship-driven.

## Structure:

### **Service Line Lead - Construction**

Owns:

- General contractor relationships
- Weekly / monthly site cadence
- Proposal templates
- Media standards

Under this role:

- Field Ops (DJI / Wingtra depending on site)
- Media / Image QA
- Progress deliverable formatting

Construction should operate on systems and subscription logic.
